## About FCFRT

---

Fairfax County Federation of Retired Teachers is an organization of retired teachers, instructional assistants, counselors, and other educational employees of the public education system. All members of FCFRT are retired from, or at one time worked in the school system in Northern Virginia or reside here in Northern Virginia, but have worked in school systems elsewhere.

### Objectives

FCFRT provides ongoing activities: to promote the social, professional, educational, and economic welfare of retired school educators; to advocate for legislative programs to protect and improve the retirement benefits of educators; to meet with colleagues for the exchange of ideas and information of common interest; and to assist retired and active education employees in maximizing retirement benefits and opportunities.

### Activities

Luncheon meetings are held two times a year at central locations in the Fairfax County area.

### Communications

FCFRT Newsletter, published four times a year, brings you news of upcoming FCFRT activities, lunch events, and articles of interest to retirees, especially legislative updates affecting retirement benefits.

### Differences

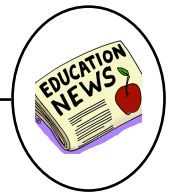

Our organization is composed solely of classroom-based educators. We are affiliated with the National Office of Retired Teachers through the American Federation of Teachers. We represent a strong Advocacy coalition at local, state, and national levels.
